Hiren Polra

WordPress Developer and Web Designer

SUMMARY

Accomplished WordPress Developer and Web Designer with over 4 years of experience, specializing in WordPress, WooCommerce, Shopify, HTML, CSS, Sass, and jQuery. Proven expertise in Git/Bitbucket, front-end development, and web optimization, with a strong track record of building SEO-friendly structures, custom post types, and dynamic sites using Elementor, Divi, and Oxygen builders.

Experienced in eCommerce solutions (WooCommerce, Shopify mediation), directory platforms (GeoDirectory), and community-driven sites (BuddyPress), along with event/booking system integrations. Skilled in converting designs (PSD/XD) to functional WordPress themes. Additionally, I have basic experience with Laravel, Vue.js, ASP.NET, and React, enhancing my versatility as a web designer and developer.

Known for clear communication, collaborative problem-solving, and delivering tailored web solutions that align with client goals.
