

# PREET BHIMANI

Full Stack Developer | ASP.NET Core Developer | MERN Stack Developer

+91 97147-28296 @ preetpatel9472@gmail.com preetbhimani Rajkot,IN

## CAREER OBJECTIVE

Aspiring Full Stack Developer with academic and project-based experience in **ASP.NET Core** and **MERN stack** technologies. Seeking an opportunity in a collaborative environment to learn, contribute to real-world projects, and grow as a developer by building scalable web applications.

## EDUCATION

### Master of Computer Application

RK University

2024 - 2026

CGPA

9.0 / 10.0

### Bachelor of Computer Applications

RK University

2021 - 2024

CGPA

7.85 / 10.0

## PROJECTS

### Dream Nest

- DreamNest is a full stack MERN web application developed for booking hotels, villas, and accommodations. The platform includes features such as user authentication, property listing and management, reservation handling, and an intuitive admin panel for managing users and properties. Built using MongoDB, Express.js, React, and Node.js, the application provides a seamless and responsive booking experience.

### E-Commerce Web App

- Developed a full stack e-commerce web application using ASP.NET Core MVC, Entity Framework, and SQL Server. Users can browse products, manage shopping carts, register, log in, and place orders. Admin users can manage products, categories, orders, and users via a separate admin panel. The project also includes role-based authentication, data validation, pagination, and secure payment gateway integration.

## CERTIFICATION

### Google Data Analytics

Google - 2023

### Foundational C# with Microsoft

Microsoft - 2024

### Pearson Test Of English

PTE - 2024

## SKILLS

### Frontend

React, HTML5, CSS3, Bootstrap, Javascript, Razor Pages

### Backend

ASP.NET Core Web API, Node.js, Express.js

### Database

SQL Server, MongoDB, MySQL

### Soft Skills

Critical Thinking, Problem Solving, Good Communication

## INTERESTS

### ASP.NET Core

Passionate about developing secure and scalable web applications using ASP.NET Core, with a strong interest in building RESTful APIs, implementing MVC architecture, and solving real-world business problems through clean backend development.

### MERN Stack

Passionate about building dynamic and responsive web applications using the MERN stack, with a strong interest in creating RESTful APIs, managing state efficiently, and delivering seamless user experiences through full stack JavaScript development.

## LANGUAGES

English

Hindi

Gujarati
